2. All Quiz participants to change their zoom user ids to "Team Name _Your Name"
3. All audience and participants are requested to be on mute unless specifically asked to unmute
4. Please ensure you have minimal to no background noise as it might affect the participant's ability to answer clearly within the time

Rules of the Quiz

1. Questions will be asked by the quiz master in a pre-defined order to the teams
2. The teams are expected to choose their category and question value
3. Each category of questions would have 5 questions to it and there would be 4 categories making it 20 questions in all
4. Higher the value of the question, greater the difficulty. For example: a question worth 500 points will be tougher than a question worth 100 points
5. Once a question has been answered correctly, the equivalent points will be awarded to team who has answered correctly
6. After team is asked a question completely, they have 15 seconds to answer
7. If an answer is incorrect or question is unanswered within 15 seconds, the question would be passed on to the next team only once except True/False question
8. A passed on question if answered correctly would award half its original points to the team which answers it
9. Total points will be calculated by the quiz master at the end of the quiz
10. Time will be kept by the quiz masters
11. All decision taken by the quiz masters will be final and binding

Final Question Instruction

1. In the event of a tie, "Tie-Breaker" question will be asked to the teams which have highest and equal scores
2. The team which correctly answers the question by typing it out and sending it on public chat to the quiz masters first would be awarded as the winner
